## RALLY BAR 2

**Rally Bar 2** is the next-generation video bar for medium to large meeting rooms. Combining all-in-one simplicity with stunning video and studio-quality audio. Featuring a sleek, low-profile design, it takes minutes to install and moments to manage.

## PICK YOUR PLATFORM

GRAPHITE

OFF WHITE

### 4-Speaker System

Dual full-range drivers and tweeters deliver clear, room-filling sound.

### 115° Field of View

Custom-designed camera featuring a 1" image sensor and an ultra-wide field of view.

### 7m Voice Pickup

Six beamforming mics with a 7m pickup range clearly capture voices in the room.

### RightSight 2

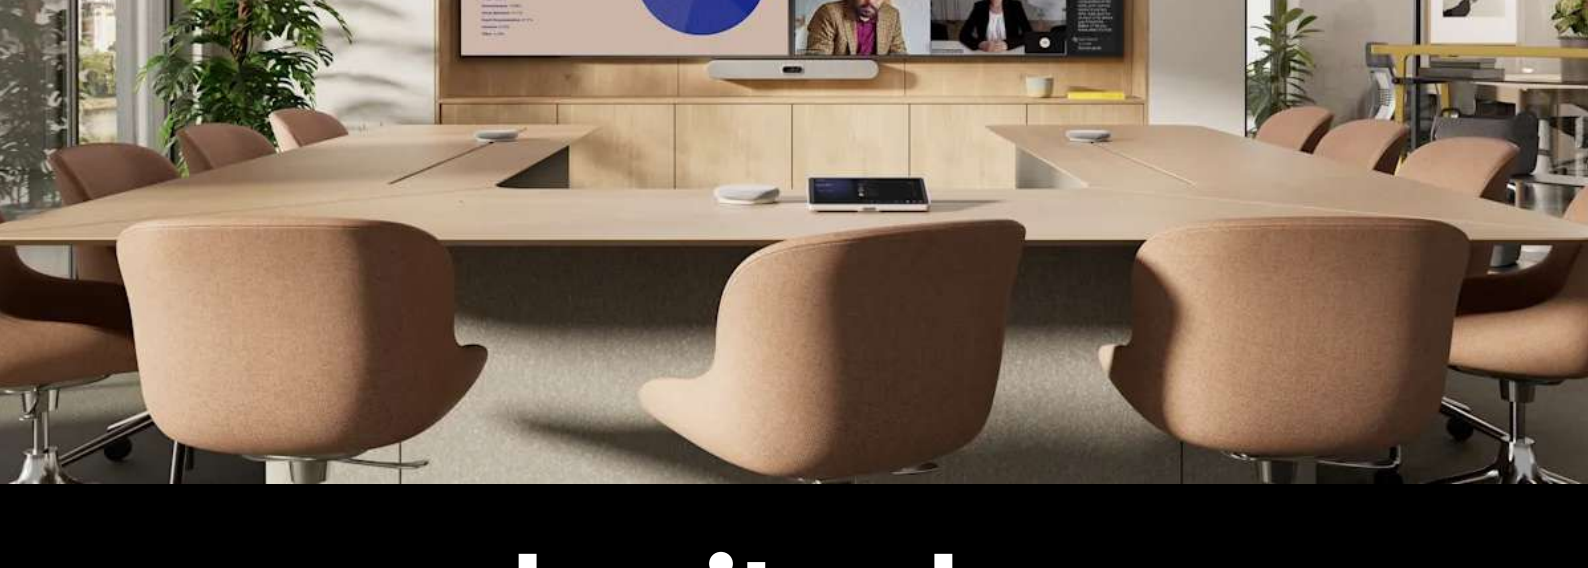

AI-powered framing optimises participant framing and image processing to deliver clear, crisp visuals.

### RightSight 3

AI-powered technology that minimises background noise, reduces reverb, and balances voices.

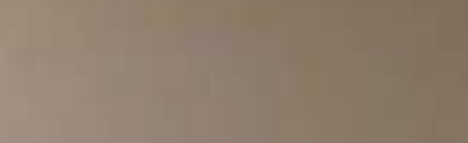

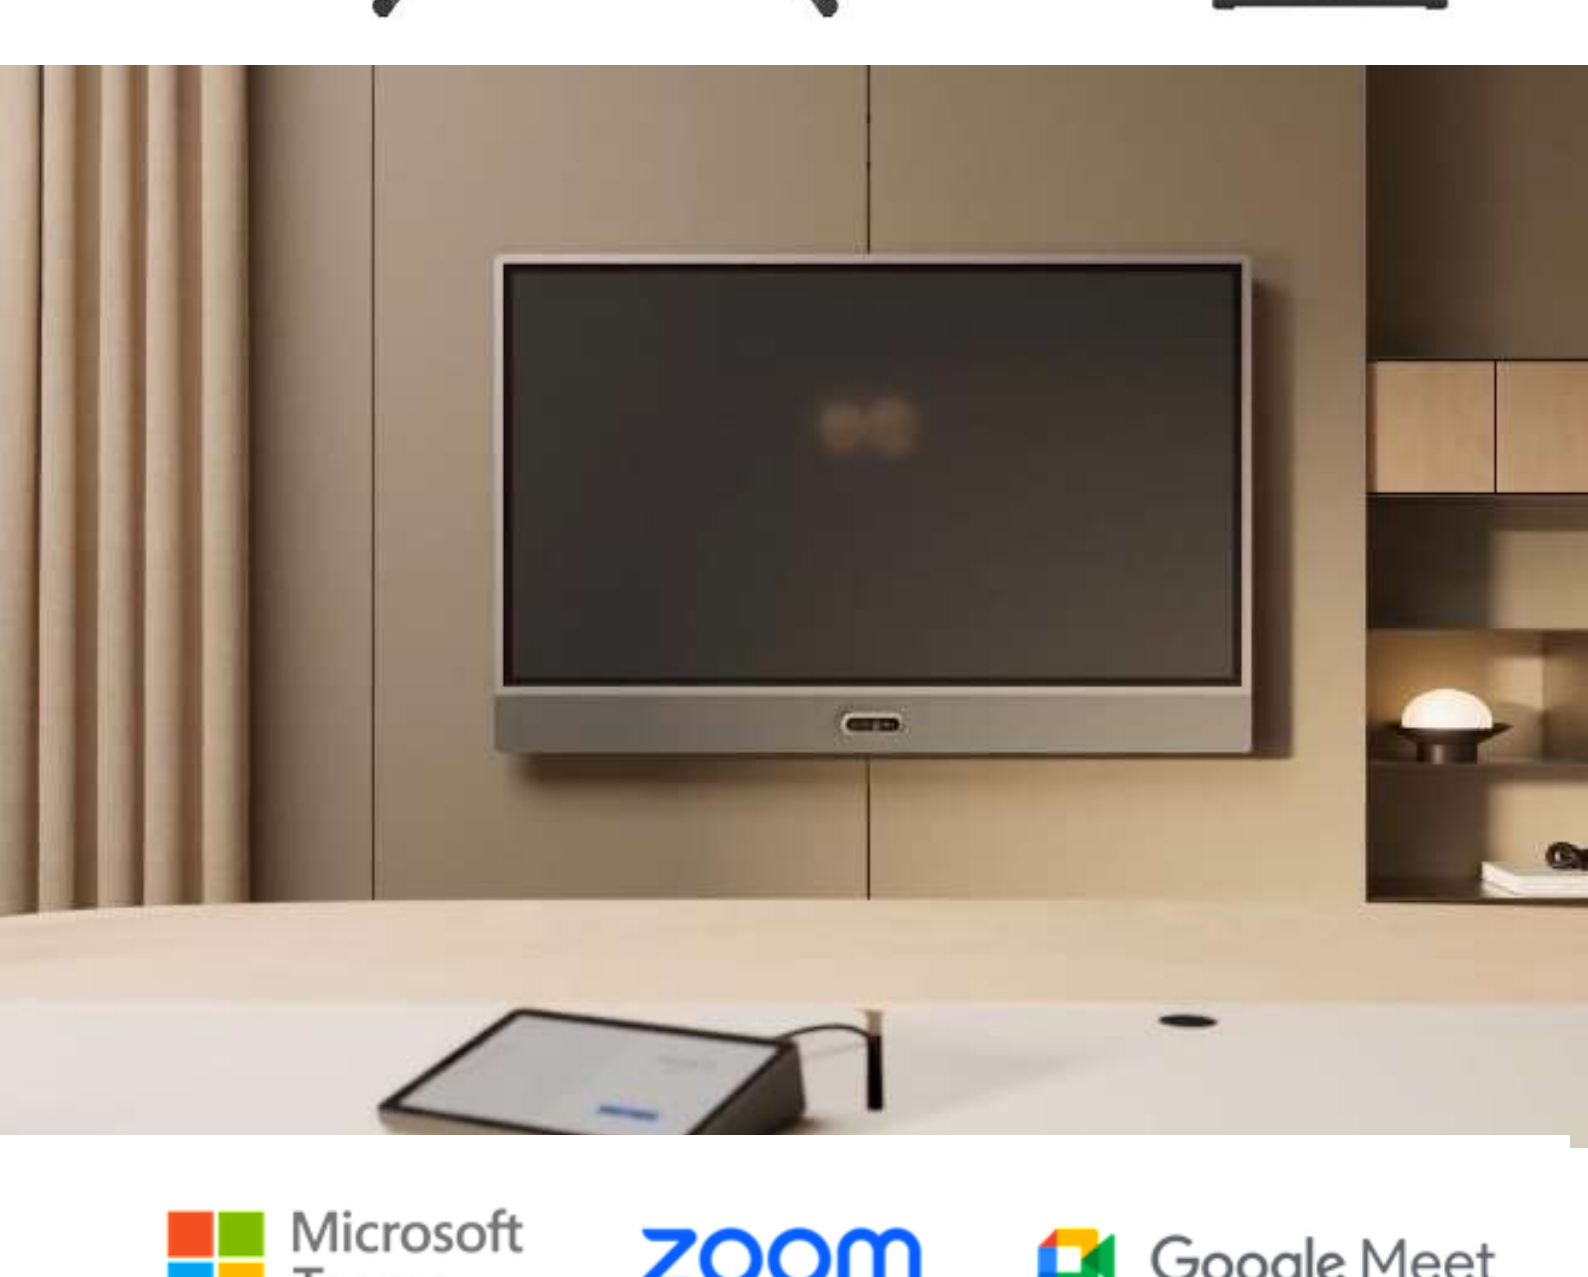

### Deploy Your Way

Configure as a PC or Android-based room system, or in BYOD mode.

## RALLY BOARD 65

### All-in-one Solution

All-in-one 65-inch video conferencing touchscreen with crystal-clear video, powerful audio, and smart AI features.

### Built for Flexibility

Designed for natural eye contact, featuring a flexible camera mount that fits any meeting space.

### Ready in No Time

Quick out-of-the-box setup with included mounts and remote configuration gets you up and running in minutes.

### Clearly Seen and Heard

AI-driven video and audio technologies ensure optimal framing and crystal-clear sound in every space.

### Ai Noise Suppression

Eliminates background noise like keyboard typing and HVAC systems to keep meetings focused.

### Crystal-Clear Video

Capture exceptional video in any space with a 115° sensor and wide 115° custom lens.

### THREE WAYS TO MOUNT

**CREDENZA**  
Mount Rally Board 65 on a table or credenza with included legs.

**WALL**  
Easily mount Rally Board 65 on a wall with a standard VESA mount.

**CART**  
Mount Rally Board 65 on a cart and have the flexibility to move it anywhere it's needed.
