Poly studio USB video bar

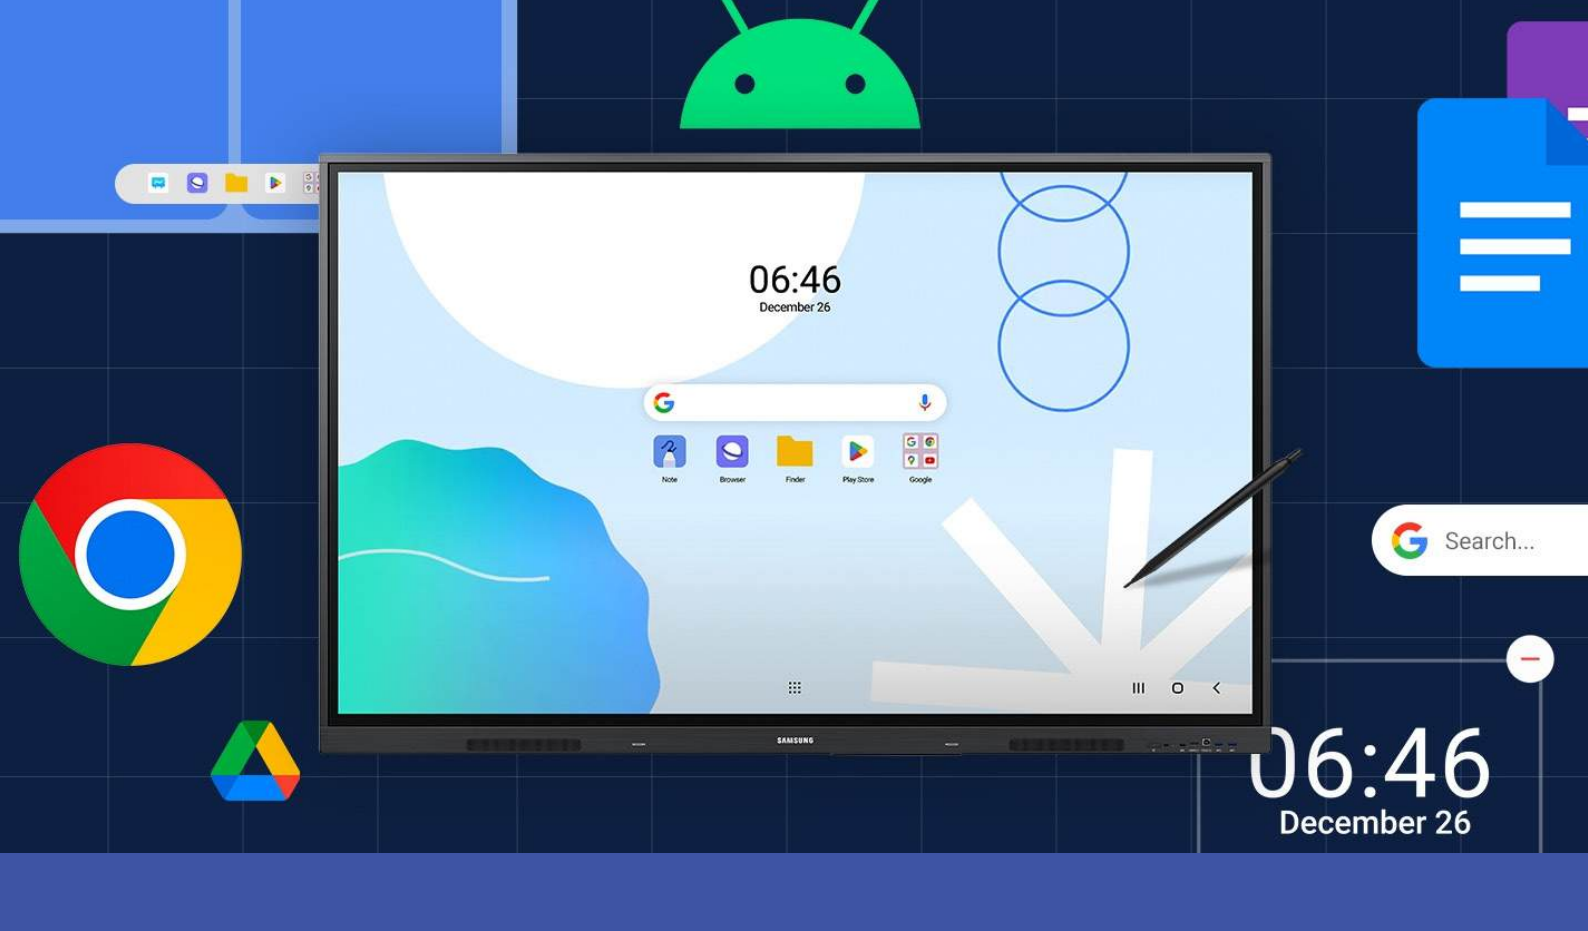

Unparalleled video and audio quality, smart camera technology, and a wide 120-degree field of view, make collaboration more productive. Quality audio and video for mid-sized rooms. Poly Studio is an easy-to-use USB video bar designed for medium meeting spaces. Advanced acoustics ensure everyone sounds their best. Poly Director AI smart camera technology shows just enough of the room. Multiple framing modes automatically track the conversation, so the connection feels personal. Poly Studio is simple for IT to manage and deploy.
